Automatic Video Interview Score

Overall, you were rated as being more effective than many other candidates who completed the video interview. Your responses demonstrated that you are clearly motivated to join Vodafone and are an achievement driven individual who follows through on commitments so that you earn the loyalty of customers. You showed us that you are team-oriented in your approach and that you can effectively get things done together with others in order to achieve common goals and objectives. It was also evident that you are very much inclined to come up with fresh new ideas and look for ways to create a better future. Additionally, your responses showed us that you are someone who tends to experiment, learn fast, and maintain a strong focus on your own ongoing learning and development.
